## Orientation and Move-in

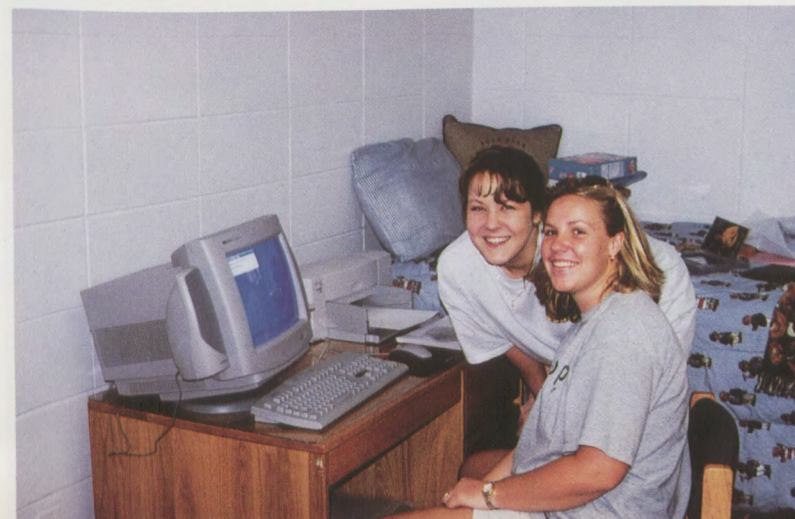

As the day of August 21 began, new students felt the excitement in the air as they walked around the campus of Mississippi College. The reason for this tension of sorts was the move-in scheduled later that evening for the largest incoming class of freshmen and transfers to ever be seen at MC. All of the tribes and clubs on campus, as well as other upperclassmen, got involved in the activities by helping these newcomers move in. Hopefully, their help also made the students' transition from home to college a little bit easier.

Thanks in part to the collaboration of people such as Evan Lenow, the administration, and other students that helped out, a long itinerary of events was laid out in an easy-to-read pamphlet that kept these eager new students busy. Needless to say, not much sleep was to be had during those first few days. Among the many scheduled events was a picnic at Dr. Todd's house the Sunday evening after arrival. Freshmen and transfers also had a great time getting to know each other and creating friendships at the annual cookout at the Reservoir. The BSU Freshmen Retreat took place at Lake Forest Ranch and proved to be something the students truly enjoyed. All in all, this year's orientation was a success, and the new freshmen and transfer students became a wonderful addition to our campus.

## **Rush and Squeal Night**

Fall Rush began soon after the start of the new school year at Mississippi College. Women's General Rush was held on Wednesday, September 2. Over 200 girls attended the General Rush meeting. General Rush for the women consisted of Coke parties held on September 8 and 10. This was an excellent time for the women to get an idea about the different social tribes on campus, and to decide which one they might like to be a part of. These Coke parties have become an annual tradition for students at MC. Men's General Rush began on Monday, September 7. Over 100 guys attended, marking another year of declining Rush numbers. However, those that did rush had a great time at the parties for the four men's service clubs which were held September 14-17.

Rush skits took place on September 18-19 in Swor Auditorium. These skits, put on by the five women's tribes, are always enjoyed by rushees, students and faculty alike. This year proved to be no different. Rushees from the men's clubs escorted women to their seats from the Rush skits.

Pref day for the guys came on September 18, and the women's was on September 24. After a few days, the rushees found out which club they got in. The pledges then went through several weeks of pledge activities for their specific clubs. This was a time of bonding and unification among the pledge class and the actives of each club.

The culmination of the Rush activities for the women comes with Squeal Night each year. This year, Squeal Night took place on October 1. It is a part of MC Rush that has come to be a favorite and much anticipated tradition.

## **Homecoming 1998**

Homecoming at MC this year was really "Something to Talk About." The Homecoming week festivities kicked off on Monday with the men's residence halls being open to women. This was a great opportunity for the guys to invite their favorite girls to see their rooms. The next night the girls were able to show off their rooms. The week's activities also included a celebration held at the MS Ag Museum on Thursday night.

Follies, a Mississippi College Homecoming tradition, provided comedic entertainment for both students and alumni. In keeping with the theme for Homecoming, each of the clubs and tribes performed skits that provided "Something to Talk About."

The Homecoming parade started Saturday at 2 pm and was led by the Marching Choctaw Band. It included floats from various clubs, groups and tribes on campus. The 1998 Homecoming Court was also featured.

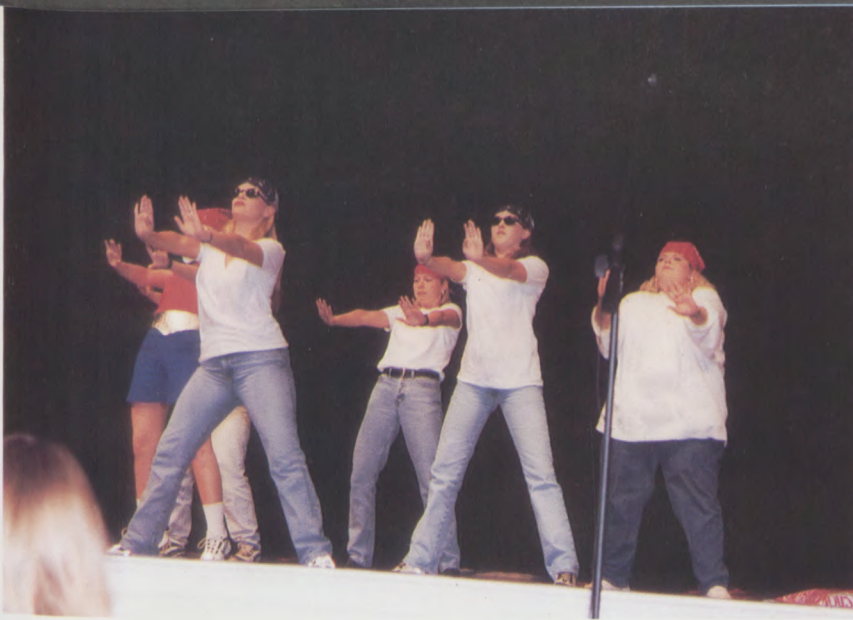

"Spotlight on MC" followed the parade at 3 pm and included performances by the MC Chamber Choir and the Naturals. The Naturals entertained the crowd with their show, "Time Warp America." Their revue incorporated various songs that have been popular throughout the years.

MC defeated their Homecoming opponent Mary Hardin-Baylor University with a score of 28-0. The half-time show included the MC Band and the 1998 Homecoming Court. The blow-out game made MC fans extremely happy and gave them all something special to talk about for years to come.

After the game, many attended a buffet dinner in the Quad. There was a folk singer for entertainment, and the catered food was delicious. This Jazz Celebration was a great way to commemorate the glorious victory and finish a wonderful week of Homecoming activities.

## Record-Setting Season

The 1998 Choctaw football season was a season of records. Matt Murphy set three school records. He set the records for receiving yardage in a single game, most touchdowns in a single game, and most points scored. Even though the season was not up to their expectations, the team posted a 4-6 record. Since the team only lost five seniors, they will be ready to recapture the ASC crown next season.

# VOLLEYBALL

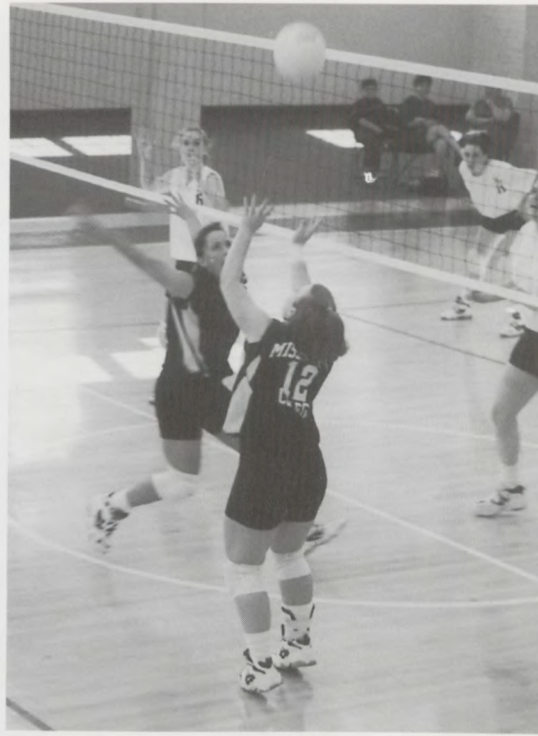

## Volley Chocs

This year's volleyball team posted more victories than last season. This year's team has a lot more enthusiasm and drive. Attendance was a major boost for the Volley Chocs. The team was made up of four freshmen, three sophomores, and one junior. Even though the season was disappointing, the team is looking forward to rebuilding next year.

# WOMEN'S SOCCER

## Lady Chocs

The Lady Chocs came just short of winning the conference this season. They received many great recruits. The season was grueling, but they hope to bounce back next year. Jane Halbert Jones was named the ASC East Player of the Year and to the All-ASC first team. Freshman Amanda Kingston was named Freshman of the Year. Courtney Shires, April Moss, and Chiali Lee were on the ASC first team, and freshman Kyt Keen on the ASC second team. Coach Longbaugh was named East Division Coach of the Year. The team looks forward to next season and returning to win the ASC title.

## New Faces

The 1998 Choctaw soccer season started out slow because of new players in starting positions. The team had 7 wins, 9 loses, and 2 ties. They won 4 out of 6 of the last games, so they finished strong. The soccer Chocs made it to the conference tournament and lost to the top seed. Five players won post season honors: David Gibbs, Barry Lagg, Grey Massey, Sam Kelly, and Scott Taylor. The team is returning 9 of 11 starters next season, so next year looks bright.

# WOMEN'S BASKETBALL

## Winning Season

The 1998-99 season proved very successful for the Lady Chocs who finished with a record of 18 wins and 7 losses. Immense leadership was shown on and off the court by the two returning seniors, Tina Herron and Gina Burkhead. Tina Herron who was awarded the Most Valuable Player of the American Southwest Conference last season led the conference this season in field goal percentage, shooting over 50%. Herron was also a starter for the Lady Chocs along with Tiffany Greene (junior), Corey Fitzgerald (sophomore), Jennifer White (sophomore), and LaShondra Farmer (sophomore). This season, Tiffany Greene led the conference in 3 point field goals, shooting an impressive 49%. Completing the line-up for the Lady Chocs are Jenny Blackwell, Laura Coleman, Amanda West, Stephanie Kelly, Eron Calcote, Betsy Burkhead, Kyt Keen, Shannon Moore, and Chrissy Cheshire. Because of the talent of the upcoming Lady Chocs, they promise to be a force to reckon with in the years to come.

## ASC CHAMPIONS

The 1998-99 men's basketball season was a major success. They won the ASC tournament hosted by MC. Fan support was a big advantage for winning the ASC title. The team had 24 wins and 2 losses in the regular season. The Chocs received a bid for the NCAA tournament.

## Promising Season

Choctaw Baseball is going through a very exciting time right now. Entering its second year in the American Southwest Conference, the Choctaw season is looking very promising. With the leadership of some key seniors, and the play of some talented underclassmen, the Chocs have a very good shot of entering post-season play. The addition of the "Right-field Reservation" and the support of the students and fans will make this Choctaw season one to remember.

# Student Government Association

If you have never been up to the second floor of Alumni, go sometime. You just might find your 1998 SGA attorney listening to the stereo so conveniently placed on his desk; or you might see the SGA secretary and 1998 Homecoming queen proudly displaying her crown. But, these are not the only things you will see. It is likely you will see the president of the 1998-99 SGA reading *Geronimo Rex* and the SGA treasurer taking pictures with his disposable camera. It appears that being an SGA officer is easy work.

It really isn't though. Although the SGA has fun, they work just as hard as they play. Weekly, this group elected "by the people (of MC), for the people (of MC)," must meet together to decide exactly how the affairs on the campus of the MC should be handled. The *Tomahawk* states that the SGA is to "promote

student welfare, to perpetuate college customs and traditions, and to train in the principles of democratic government." All of that sounds good, but what exactly does it mean? What does the SGA *really* do? SGA secretary Sara Rogers summed it up best when she said, "We cater to the needs of the students." The SGA encourages campus unity through events such as orientation for the freshmen, halftime shootouts at basketball games, bands in the Quad, Derby Day, Spring Fever Week, and chances to win money at the baseball games, just to name a few.

So, the next time you have a few minutes to roam, go to the SGA office. Look around; notice the pictures on the walls; get to know your SGA. They are actually pretty nice people.

Lance Martin

Matt

Dade and Ricky prove that it takes more than smarts to hold an SGA office. A person has to be able to dress the part as well! As Vice President, Dade's major responsibilities include making announcements at chapel and presiding over the Senate meetings. Ricky's major responsibility as Chief Justice is to preside over the Judicial Council. Both SGA positions are needed in order for the SGA to stay in touch with the student body as a whole.

The SGA officers have to get out of the office every once in a while in order to keep their sanity. Here, Dade Dowdle, Sara Rogers, Evan Lenow and Brandon Jones, along with Anthony Britt and Dean Washburn enjoy watching the football game. The SGA knows that a campus without fun activities is a campus without any fun. The SGA officers are students as well, so they realize the students of MC need activities to take a break from classes, homework, exams, and studying.

# WAB, MAB, Senate, Judicial Council

Just as important as the SGA is the Senate. Without the Senate, the SGA is limited in what it can do. The Senate is the way in which the SGA can stay connected to the students of Mississippi College. The Senate is made up of elected representatives out of each class, four transfer senators, and the class presidents. Student senators have the opportunity to find out the needs of the student body and present these needs to the Senate, as a whole, in the weekly Monday night meetings. Contributions of the 1998-1999 student Senate of Mississippi College include extension of food court hours, improvements in cafeteria service, extension of lobby hours, a charter of a new men's

service club, and senate work projects.

The government of MC can not be successfully run without the judicial branch as well. The judicial branch is made up of the Judicial Council, the Men's Affairs Board, and the Women's Affairs Board. The responsibility of the Judicial Council is to discuss the appealed parking tickets and other violations that occur on campus, and make a ruling on them. The Judicial Council is headed by the Chief Justice and is composed of students named by the Chief Justice. The Men's Affairs Board and Women's Affairs Board are composed of dorm presidents and headed by the chairperson of the MAB and WAB, respectively.

President of the Senate Dade Dowdle, Chaplain Alysia Braswell, Sergeant at Arms Scott Jones, Parliamentarian Joy Fai, Secretary Sara Rogers, President Pro Tempore Spencer Reedy, Priscilla Pulliam, Mica Ballard, Mandy Avis, Amy Davis, Lee White, Jay Thomason, Rebekah Carter, Ellen Singleton, Katherine Patton, Melanie Gavin, Jennifer Heggie, Susan Autry, Megan Carlyle, Ben Murphy, Kevin Wells, Nathan Chapman, Matt Bowman, Daniel French, Ashley Moseley, John Howell, Jeremy May, Chris Smith, Colin Ware.

Women's Affairs Board Members: Casey Selph, Lauren Stanford, Carey Lestelle, Sarah Reeves, Betsy Boenar, Carrie Reid, Jennifer Robbins, Lizzie Fortenberry, Elizabeth Crews, Fanasy Prokop.

Men's Affairs Board Members: Blake Travis, Lance Martin, Brian Hannula, Justin Karas, Kevin Roberts, Sam Kelly.

Judicial Council Members: Glenn Morris, Ricky Jenkins, Marjorie McLin, Lori Pittman, James Sutton, Mark Ellis.

Senior Class Officers: Trent Barger, Treasurer; Clayton Carnall, President; Josh Brooks, Vice President; Josh Murray, Secretary.

One of the many things the class officers had a hand in this year was the campus involvement in Spring Fever Week.

Junior Class Officers: Nathan Bullock, President; Mary Beth Evans, Treasurer; Courtney Neff, Vice President; Allison Trimm, Secretary.

# Class Officers

Every group needs a leader, someone the group can count on for guidance and encouragement. The classes here at Mississippi College each have four leaders. This team of elected leaders seeks to guide each class as the days, weeks, and semesters go by. The responsibilities of the class president are to serve on the Standing Election Committee, which is responsible for counting election ballots and securing poll workers, as well as serve in the Senate. The Vice President, Secretary, and Treasurer serve on the Campus Activities Board, which plans and facilitates campus activities such as Derby Day and Spring Fever Week.

Every semester, each class receives \$100.00 (according to the *Tomahawk*) to be used for activities that come up during the semester. This year the freshman class chose to use their funds for several different activities. They held a Freshmen Kickoff, a Date Auction, and a Christmas Celebration. If all of the funds are not used completely in a given semester, the money is rolled over to the next semester, so that it is possible for a class to accumulate \$800.00 over eight semesters.

No matter what the responsibilities of the officers are, they are our leaders. We elected them; we need to support them.

Sophomore Class Officers: Justin Jackson, President; Kathryn Barger, Vice President; Claire Smith, Secretary; Jenni Price, Treasurer. Freshmen Class Officers: Sloan Fortinberry, Secretary; Joy Fain, President; Lisa Yarbrough, Vice President; Marjo Gill, Treasurer.

## Editor's Notes

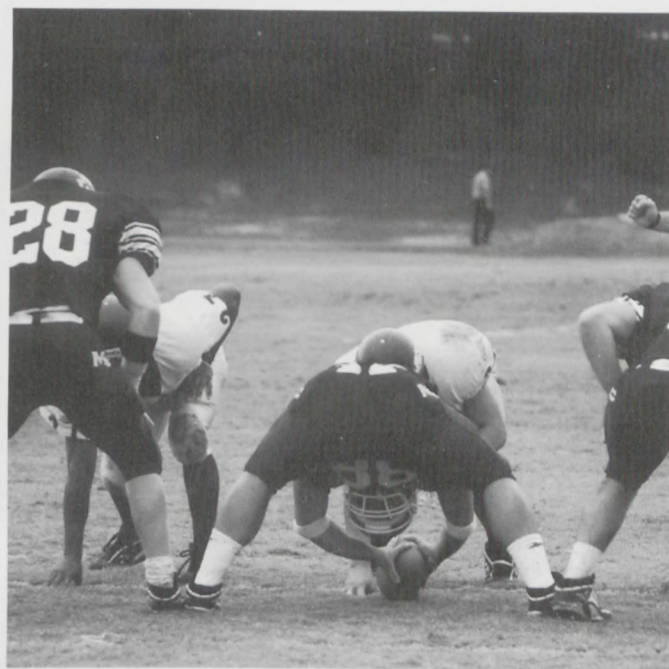

The 1998-1999 school year here at MC was an exciting one. We, as a staff, hope that we were able to capture those things important to the MC student body and include them in this year's *Tribesman*. Of course, there are many things that did not get included and for that we are very sorry.

The success of the 1998-1999 *Tribesman* is attributed to many, many people. However, I do not want to even begin to name names, because I am sure to leave someone out. I do appreciate all the help from students, staff, faculty and administrators that we received this year. My staff and I thank you! The biggest thank you that I need to give is to those pictured above, my staff. This yearbook would not have been possible if they had not put their time into it. So, if you see one of them around campus, tell them what a good job they did!

I guess there should be some explanation about the pictures on these two pages. My staff and I thought instead of boring you with more pictures of the *Tribesman* staff we would fill these pages with some of those pictures that do not really have any other place in the yearbook or simply did not get used. Why not? There are some really cool pictures here, or so we thought!

# BSU

Baptist Student Union, known to most as BSU, functions as a Christian fellowship organization led by college students for college students. A President, Executive Council, and Leadership Team led the students under the direction of Christy Carley, who came to MC second semester. The Executive Council and Leadership Team worked in cooperation with Carley to plan and carry out projects. Tuesday nights, students filled Swor Auditorium for praise and worship led by musical groups Adopted, Priority and Generations. Drama team Cross Section often performed as well. Several retreats were attended throughout the year, including the annual Freshmen Fall Retreat. BSU sent over 30 students on summer missions while another group of students worked in Arlington, Texas, over spring break. "BSU is a fellowship of Christian friends," said Leah D'Mello. "It really encourages my spiritual growth through the atmosphere."

MC's Baptist Student Union welcomes this year a new director, Christy Carley, 1992 graduate of Mississippi State University from Sumrall, Miss. Carley received a Master's of Divinity from Southwestern Baptist Theological Seminary in Fort Worth, Texas. While attending MSU, Carley actively participated in BSU. "My father used to tell people I was majoring in BSU," said Carley. "I did not think at that time I would be directing a BSU anywhere, though."

"It was not like at the age of five that I would be going into the ministry. God is so good," said Carley. "He has just shown me exactly where He wants me."

Carley's main priority for BSU is God. "I want the students to experience God's love," said Carley. "I want the students to leave BSU thinking how awesome God is and not how awesome the speaker was."

## Founder's Award

# Dedication

When one thinks of Mississippi College and its campus, many things come to mind: the clock tower, the MC arrow, the quad, and Provine Chapel. Something, or actually someone else also comes to mind, Doc Quick. Doc's history and service to Mississippi College is enormous. The thought of Mississippi College without Doc Quick is something that never crossed anyone's mind. However, earlier this semester Doc Quick announced that he would be retiring. A quote of Doc's from *The Beacon*, says it best: "Times change, buildings change, people retire, but memories last forever."

For the great devotion and leadership shown not only here at Mississippi College but everywhere he's been, the 1998-1999 *Tribesman* is dedicated to Dr. Van Quick. Below is a brief history of his life, accomplishments and affiliations.

On March 26, 1933, Dr. Van Quick was born to H.T. Quick and Mary V. Gillis in Hazlehurst, Mississippi. In 1951, he graduated from Hazlehurst High School and in 1955, he earned the B.A. in History from Mississippi College. Dr. Quick has also received the M.Div. from New Orleans Baptist Theological Seminary, the M.Ed. from Mississippi College, and the Ed.D. from Mississippi State University.

He was licensed to the Gospel Ministry in 1953 and was ordained in 1955. He served as the Minister of Youth Activities at Bellevue Baptist Church in Memphis, Tennessee, from 1958 until 1960. Dr. Quick has been employed in a variety of positions at Mississippi College since that time. His service to the College includes Director of Student Activities, Dean of Men, Director of Admissions, Vice President for Student Personnel, and Vice President for Alumni and Student Affairs.

Dr. Quick was a member of the Southern Baptist Convention Education Commission from 1987-1994 and served as its chairman from 1993-1994. He is a deacon at First Baptist Church of Clinton, Mississippi. He has served as the Adult Sunday School Department Director, College Sunday School Department Director, Church Trustee, and as a member of the Building, Evangelism, Personnel and Youth Committees of his church.

A retired Colonel in the United States Army Reserve, Dr. Quick is a graduate of the Chaplain Officer Basic Course, Chaplain Officer Career Course, U.S. Army Command and General Staff College and the National Defense University. He was awarded the Meritorious Service Medal and the Army Commendation Medal. He has also been recognized for Outstanding Service to the U.S. Naval Reserve.

His professional affiliations and memberships are numerous. They include the Association for Student Development in Southern Baptist Colleges and Universities, Association of the United States Army, Jackson Rotary Club, Mississippi Athletic Officials Association, National Association of Student Personnel Administrators, Newcomer Society, Phi Delta Kappa, Red Red Rose, Reserve Officers Association, Southern Association for College Student Affairs, and the Southwest Association of Student Personnel Administrators. He has been included in *Who's Who in the South and Southwest*, *Who's Who in American Education*, and *Outstanding Educators in America*. Dr. Quick has also won the Mississippi State University College of Education's Circle of Excellence Award.

Dr. Quick is married to Shelly S. Quick. They have two daughters, Karon L. McMillan and Sharon L. Wilson.

# A Final Note From the Editor

Well, another *Tribesman* finished. I think it is fitting that this is the last page of the yearbook, and also the last page to be finished. Exactly when is it being finished? Well, right now it is 2 a.m., and my eyes are beginning to close, but since I'm this close to being finished sleep can wait.

This is my second year as editor, so things should have been easier this year right? That's what I thought anyway. Boy, was I wrong! Some aspects of the job were easier. I knew who to call when I had a question or a problem. That may not seem like a big thing, but, trust me, depending on the situation it is a *very* important thing.

It's been an interesting year to say the least. Everywhere you look there has been construction of some sort. It was always interesting to see how I was going to get out of the dorm every morning for class. Every time I walked out there was another hole in front of the dorm! It's all in the name of progress, I know, but I've got to say this. They filled up the "Bowl!" Sad, isn't it? First the "Wig" and now the "Bowl". What is next? I don't want to think about it.

Also, it's been a tough year for me personally. It's been too hard to find a balance between everything. It's hard balancing yearbook responsibilities, RA duty, meetings, studying, and spending time with and talking to my wonderful girlfriend. Oh, wait! I forgot I have classes that I have to go to. However, I have yet to find this balance and some things suffered because of that. Sadly enough, yearbook was one of them. I had to make a decision of what was more important to me. My grades won easily. Last year it was right the opposite. I put everything else off and my grades reflected that! We are students first; everything else is second.

Whether this year is my last year as editor or if I'm back next year, at this point I'm not sure. Either way I would like to thank all the people that have helped me not only with yearbook, but also with every aspect of my college career. I have grown as a person during my time here at MC and many people have helped me to realize things about myself that I did not know were there. So many people have helped me in so many ways, and I do not want to begin naming them because I know I will leave someone out. Thank you! I would also like to remind everyone to remember what you came here for. Get your priorities straight early and stick to them. Don't be distracted by what may be going on. I'm not saying that you shouldn't have fun while at college. If there wasn't a little fun mixed in there, we would all be crazy by now. Just don't let anyone make you think something is more important than you and your grades.
